5. Registration

**send an E-Mail with the following informations to Hecke Degering (address below): team's name, anticipated number of players, person to contact**

Registration is possible until 30.11.2018. The first 10 registered men's teams and the first 6 women's teams will be allowed for the cup. Relevant is the arrival of the registration fee. If the fee of more than one team arrives simultaneously or almost simultaneously, university teams will have priority or there will be a draw. We will decide what "almost simultaneously" means. Registration fee: 200,- € for each mixed team, 120,- € for each women's team as well as 15,- € per player (women who play for a women's and a men's team only have to pay once, of course). For the fee you get: accomodation, breakfast, dinner, no drinks but entrance to the sauna throughout the tournament.

The money is to be transferred to:

6. Liability

Of course we are not liable for anything you forget, loose and so on. The participation in the tournament is on your own risk.

7. What can be won?

A lot of fun in the matches and at the party, of course. The AMAZONEN-CUP will be given to the winner of the women's tournament. Furthermore we will count fouls. The fairest team will receive a price, paid for by the least fair team.

9. Accommodation

We cannot offer any accomodation from friday to saturday. From saturday to sunday we can offer some space to sleep located in the same building as the pool. Although the space is a bit limited everyone will find a place to lay down (think of sleeping bags and mats). For everyone who likes it a bit more comfortable, we can recommend the youth hostel, which is in walking distance to the pool (you can find more details on [www.djh.de](http://www.djh.de)). The youth hostel is available on friday as well, of course. For single persons arriving on friday already, it has usually been possible to find a place to sleep, just ask.

10. Something else?

Oh yes, female players who would like to participate in the women's cup but who do not have a team should feel free to contact us. We will try to find them a team or will organize a new, mixed team if the number of registered teams allows it.
